PRESIDENT'S MOMENT – Susi Fathauer

Giving Back...Have you returned from a family history trip or reunion you could share with us? We'd like to hear from you. Just e-mail Margaret margaret166@cox.net , our newsletter editor pro-tem. If you have other genealogy related news from other society newsletters or journals you can share, please do. Many members are not able to belong to as many societies as they'd like and this is a way you can share news or helpful websites from other counties and states.

Did You Know About?...Some of you remember on our old membership forms, there was a space to make a contribution to the NARA Gift Fund. The Board voted to remove it from the form a couple of years ago because rarely did anyone contribute to it via our form. But, just what is the Malcolm H. Stern NARA Gift Fund?

This fund finances the micro-filming of valuable research materials and finding aids from the National Archives in Washington, D.C. The films are then distributed to the NARA regional offices and are also available through any (LDS) Family History Center.

The fund was named after Rabbi Malcolm H. Stern (1915-1994), who contributed to the genealogy community for 44 years as a speaker, author, and member of many national boards. The Federation of Genealogical Societies (FGS) administers the fund. They also accept suggestions from anyone, of items to be considered for microfilming.

Currently, the project is raising funds towards filming two collections.

The first is the War of 1812 pensions and bounty-land warrant records, which includes a number of Revolutionary War veterans and the other collection is the compiled records of the U.S. Colored Troops.

If you would personally like to support the work of these projects or to the microfilming general fund, you can make your gift made out to "NARA Gift Fund" and mail to: FGS Business Office, NARA Gift Fund, PO Box 200940, Austin, TX 78720-0940 or visit www.fgs.org and click 'projects', you will see a list of all the records that have been filmed with NARA Gift Fund donations. You may be using many of these records in your research. Remember, you can borrow these micro-films from the Mesa Regional Family History Center.

This is the 1895 eighth-grade final exam in Salina, Kansas

Nikki **Van Reusen** "Something to do in your spare time...Gives a whole new meaning to the phrase, 'he only had an 8th grade education', doesn't it? And they didn't even have Google back then!! Notice that the exam took **Five Hours** to complete. Also shows you how different our education system has become and **NO! I don't have the answers.**"

From your editor pro tem: When attending the dinner prior to the Scottsdale meeting on July 22nd was surprised to see Janice **Whitchurch**. Came home after the meeting to hunt for a handout from my memory of this former Scottsdale President. The night I am remembering Jan had a beautiful quilt she had made to be auctioned off at a family reunion. At our meeting that night she showed how to transfer a picture to fabric.

The hand out started:

“ CREATIVE WAYS OF PRESERVING FAMILY MEMORIES

Do you think of yourself as the curator or caretaker of the family’s history and heirlooms? That’s a big responsibility and one I’m sure that you don’t take lightly. It’s up to you to maintain your genealogy and historical artifacts in good condition and to protect them from loss or destruction. Here are some creative ways that we can preserve your family’s memories. By doing so, you are putting something of yourself into treasures that can be passed along in each of your families.”

Among her suggestions were:

Calendars
Recipe Books
Christmas Ornaments
Plaster Handprints
Silhouettes
Photo Clocks
Record Book of Family Holiday Traditions

Here is her instructions for transferring Pictures to Fabric for:

Quilts
T-Shirts
Pillows
Wall Handings

Materials Needed:

T-Shirt Transfer (purchase at an office supply store)
T-Shirt or fabric to transfer picture to
Iron
Heat resistant ironing surface
Old Pillow Case (or 100% cotton fabric)
Clock with a second hand

Steps:

1. If you are using a scanner, scan the design into your software.
2. Flip the design so that your printer prints a mirror image of the original picture.
3. Print your picture on plain paper to make sure that it is the reverse or mirror image.
4. Print your picture on T-Shirt transfer paper following the package instructions making sure that you are printing on the correct side of the transfer.
5. Use a hot iron to transfer the picture to the fabric, again following the package instructions.

Hints:

Read the complete instructions that come with your brand of T-shirt designs.
Use a 100% cotton fabric (or cotton polyester blend) of a high quality.
Your pictures will show up better on white or light colored fabric.
In your graphics program or on your printer, set it up to print on “Special Paper” or “Iron on Transfers”

The ironing surface should be Formicas countertop or heat-safe tabletop
that is about hip level or below. **(Do not use an ironing board)**

Press hard when you are ironing the transfer.

My thanks again to Jan, it was good to see her and share memories.

(continued from page 3)
